- Wrap up

During each day there will be group exercises, laser coaching sessions, individual reflection and pairs exercises. All our training uses accelerated learning.

One on one coaching:

Throughout the 3 days we have a brilliant NLP Coach, Master Practitioner and Trainer Hilary Carmichael, who will be on hand to do one to one confidential work with individuals.

Areas that you can cover include:

- Increased personal impact and effectiveness
- Reduction or management of stress or conflict
- Increasing confidence, motivation and morale
- Overcoming negative emotions or limiting beliefs holding people back
- Greater flexibility and adaptability to change
- Improved communications across all levels
